MESSAGE FROM THE EXECUTIVE DIRECTOR

We are proud to reflect on a year filled with community generosity, student resilience, and meaningful impact.

As the Foundation's Executive Director, I continue to witness the incredible difference your support makes in the lives of Langley students. Whether it's providing food for a child who might otherwise go hungry, opening doors through scholarships, or funding critical mental health services - **your kindness is creating real change every single day.**

This past year, the need for support in our schools remained high, and our community responded with unwavering compassion. Together, we've expanded essential programs, launched innovative initiatives, and ensured that students from all walks of life have access to the tools they need to thrive, not just academically, but emotionally and socially as well.

Every statistic in this report represents a story. A student who can now focus in class because they had breakfast. A teen who found hope through counseling. A graduate who's heading to post-secondary with a scholarship and a dream. These outcomes are only possible because of you.

Thank you for being a vital part of our mission. As we look to the future, we do so with optimism, knowing that with your continued support, we can keep removing barriers and unlocking potential for every student in Langley.

With heartfelt gratitude,

Alicia Rempel
Executive Director
Langley School District Foundation

WAYS TO HELP LANGLEY STUDENTS AND SCHOOLS

Monthly Giving or Annual Gifts

Monthly gifts provide steady support for students and stability for the Foundation, while annual gifts fuel targeted initiatives and program growth. Together, they sustain vital resources and open pathways to student success.

Planned Giving / Legacy Gifts

Planned giving creates a lasting legacy by supporting students for generations. With tax benefits, flexibility, and the option to grow gifts through our Endowment Fund, you can sustain the Foundation's mission and shape future opportunities.

Gifts of Securities

Donating securities can maximize your impact while offering tax advantages. By giving stocks, bonds, or mutual funds directly to the Foundation, you may reduce capital gains and income taxes, while receiving a receipt for the full market value, making your generosity go even further.

Establish a Scholarship

Scholarships open doors for Langley students, helping them pursue post-secondary education and trades training. By creating a named scholarship, contributing annually, or supporting an endowment, you provide meaningful opportunities that remove financial barriers. Your gift not only empowers individual students but also strengthens our community for generations to come.
